

Steel Tank Institute/Steel Plate Fabricators Alliance – 2017 Safety Awards

STI/SPFA sponsors the Safety Awards Program to acknowledge safe and healthy workplaces throughout its Member companies, and to recognize the employees who have worked to make this a reality.

Safety Award of Excellence

The Safety Award of Excellence is presented to any FABRICATOR OR AFFILIATE MEMBER EMPLOYER who has experienced a ZERO (0.00) OSHA Total Recordable Incident Rate for 12 consecutive months.

TFWG companies that received STI's Safety Award of Excellence:

Tarsco Construction Corporation

Tarsco Inc. Dominican Republic
